

## **Granite Point Mortgage Trust Inc. Announces Third Quarter 2020 Common Stock Dividend and Business Update**

**NEW YORK, September 28, 2020** – [Granite Point Mortgage Trust Inc.](#) (NYSE: GPMT) (“GPMT” or the “Company”) today declared a quarterly dividend of \$0.20 per share of common stock for the third quarter of 2020. This dividend is payable on October 19, 2020 to common stockholders of record at the close of business on October 8, 2020.

“When declaring the dividend, we consider a variety of factors, including, among others, the Company’s current and expected liquidity position and the level of Core Earnings the portfolio is estimated to generate in light of the current environment”, said Jack Taylor, Granite Point’s President, Chief Executive Officer and Director. “While significant uncertainty persists and the overall economy and real estate market continue to be negatively affected by the COVID-19 pandemic, our portfolio has performed well with over 99% of our borrowers making their August and September contractual loan payments. As previously announced, we also further enhanced our liquidity and financial flexibility by securing a \$300 million strategic financing commitment. We believe the third quarter dividend is appropriate given the current performance of the Company’s loan portfolio, comprised of over 99% senior loans, as we continue to navigate the uncertain market environment.”

- Over 99% of borrowers made their August and September payments in accordance with their loan agreements.
